Frequently Asked Questions (FAQs)

Q1: Is Unit 17 considered a difficult unit in Signing Naturally?

A1: The difficulty of *Signing Naturally* Unit 17 is subjective and depends on individual learning styles and prior experience. While it introduces more complex grammatical structures and a larger vocabulary than previous units, the

structured approach of the *Signing Naturally* curriculum makes the material manageable with consistent effort and practice. The inclusion of more advanced concepts like classifiers and conditional sentences might pose challenges for some learners, necessitating extra practice and possibly seeking clarification from instructors or peers.

Q2: How can I best prepare for Unit 17?

A2: Thoroughly reviewing previous units is crucial. Ensure a strong grasp of fundamental signs, grammatical structures, and basic sentence construction before tackling Unit 17. Familiarize yourself with the concepts that will be built upon in Unit 17, such as classifiers and conditional sentences, through previewing the chapter material or online resources.

Q3: What resources are available to help me understand Unit 17 better?

A3: Beyond the *Signing Naturally* textbook and workbook, consider utilizing online ASL dictionaries, video tutorials on YouTube, and interactive ASL learning apps. Engaging with the Deaf community through online forums or local Deaf events also provides valuable exposure to authentic ASL usage and can offer clarification on challenging concepts.

Q4: How much time should I dedicate to mastering Unit 17?

A4: The time required varies depending on individual learning pace and comprehension. However, allocating dedicated study time each day, coupled with regular practice sessions, is recommended. Aim for consistent, focused learning rather than cramming sessions for optimal retention and understanding. A good goal might be to dedicate at least 30-60 minutes of focused study per day.

Q5: Are there any specific strategies for remembering new signs introduced in Unit 17?

A5: Employ diverse memory techniques. Use flashcards, create mnemonic devices (memory aids), and practice

incorporating new signs into everyday conversations. Try connecting signs to personal experiences or associating them with familiar objects or actions to strengthen memory retention. Regularly reviewing previously learned signs also helps reinforce memory.
