FAQ: Kumon Answers Level E

Q1: My child is struggling with fractions in Kumon Level E. What can I do?

A1: Fractions are a common stumbling block. Try using visual aids like fraction circles or

bars to illustrate concepts. Break down complex fraction problems into simpler steps. Focus on mastering basic operations (addition, subtraction, multiplication, and division) before tackling more complex problems. Consider working through simpler examples from previous levels to reinforce fundamental understanding. You might also seek extra help from a tutor or Kumon instructor.

Q2: What resources are available besides the workbook for Kumon Level E?

A2: While the Kumon workbook is the primary resource, supplementary materials can be very helpful. Online resources like educational videos, interactive websites focusing on fractions and decimals, and practice worksheets can provide additional support. Many online platforms offer free resources focused on improving mathematical skills, aligning with the Kumon curriculum.

Q3: How can I tell if my child is ready to move on from Kumon Level E?

A3: Your child's Kumon instructor will be the best judge of readiness. However, look for consistent accuracy and speed in completing worksheets. If your child demonstrates a thorough understanding of the concepts and

can consistently solve problems independently, they are likely ready for the next level.

Q4: Is there a time limit for completing each worksheet in Kumon Level E?

A4: Kumon emphasizes consistent daily practice rather than focusing on speed. While there isn't a strict time limit, encourage your child to work at a pace that allows them to understand the concepts fully. Speed will naturally improve with consistent practice.

Q5: My child gets frustrated easily with Kumon Level E. How can I help?

A5: Encourage a growth mindset. Praise effort and progress rather than focusing solely on results. Break down tasks into smaller, manageable chunks. Celebrate small victories. If frustration persists, consider seeking help from their Kumon instructor or a tutor.
